First Semester as AE Major

Expected Date of Graduation

2013-2014

CATALOG YEAR

AEROSPACE ENGINEERING MASTER PLAN AND ADVISING RECORD

COPY SENT TO EVALUATIONS

ON: _____ BY: _____

STUDENT RESPONSIBILITIES

1. Master plan filed in Department Office before AE 123 completed; transfer students file no later than semester taking AE 301 or 310.
2. Plan your courses each semester with your assigned faculty advisor.
3. Pre- and Co-requisites will be enforced according to the catalog; noncompliance may result in denial of graduation.
4. Completed Master plan must be approved during the semester PRIOR to graduation.
5. Select electives in consultation with your assigned faculty advisor.
6. Ensure all GE requirements are met for graduation.
