Underlined upper division math classes are *not* open until you pass the math proficiency assessment. Footnotes in the *Class Schedule* contain information on enrollment restrictions for courses – please read them carefully when searching for classes.

Writing Proficiency Assessment (WPA) Scores and Implications:

Take WPA the summer prior to Junior Semester I

The score you earn on the WPA will dictate the classes you need for your junior year and may impact your graduation date.

Score:

8 or above: No further lower division writing classes required.

Less than an 8: Ling/RWS 280– Required by the university.

Ling/RWS 253– Required by Liberal Studies
