**DONOR RECOGNITION**

Donors who continue to give to the university over time are an integral part of SDSU’s long-term support system. Their ongoing commitment is a tribute to their belief in the mission of the university and constitutes a higher level of philanthropy that transcends campus boundaries.

We thank them for their continued dedication to San Diego State.

---

**TOWER SOCIETY**

The Tower Society was established in 1997, the university’s centennial year, to honor individuals who have cumulatively given $25,000 or more to SDSU.

Members of the Tower Society have created a legacy of giving that will continue to advance San Diego State’s vision for generations to come. (Only members who appear at the Cum Laude level and above are listed.)

HERITAGE SOCIETY

The Heritage Society honors individuals who have generously named San Diego State as a beneficiary in their estate plans or planned gifts.

Since most of these gifts will be realized by San Diego State after the lifetime of the donor, the Heritage Society was created to thank donors in the present for their generous intentions.
