## Take Advantage of WorkAbility IV Services!

### What is WorkAbility IV?

WorkAbility IV (WAIV) is a *career development program* designed to provide enhanced and individualized employment services to students and alumni with disabilities. WAIV partners with SDSU Career Services (CS), SDSU Student Disability Services (SDS), and the California Department of Rehabilitation (DOR). Together, we work toward helping you achieve your career goals!

### What can we do for you?

Below is a summary of some popular services that we offer:

#### Career Planning

- Career assessments
- Career counseling and guidance
- Career exploration
- Labor market research
- Job shadowing and mentoring

#### Employment Preparation

- Assistance with writing resumes and cover letters
- Job search skills, strategies, and resources
- Job leads and application assistance
- Preparation for job fairs and interviews
- Professional networking and mentoring opportunities

#### Internships

- Federal internships
- Academic internships (for-credit)
- Paid internship leads

#### Disability Considerations

- Job accommodation planning
- Disability disclosure advising
- Disability rights

According to the Spring 2012 client survey, the most popular and helpful services we offer include: resume and cover letter review, and job/internship search advice and application assistance. We do much more than the services listed above, so please contact your WAIV counselor today to see what more we can do to help you achieve your career goals.
