Both Booz Allen Hamilton, a consulting firm; and Qualcomm, will hold their annual Disability Mentoring Days this fall semester! This is an exciting opportunity to learn more about each of these respectable businesses, their cultures and career paths. You will be connected with a mentor for the day who has prepared a variety of activities such as informational interviews, attending meetings, observing business activities, and touring the facility. Learn more about opportunities available to you and gain knowledge on job searching, professional networking and resume writing. In order to participate, you must be currently enrolled as a student at SDSU with a documented disability. All majors are welcome to attend. Please contact your WorkAbility IV counselor to apply for these unique events.

#### Federal Resumes

Create a free account and use the federal resume builder available at [www.usajobs.gov/](http://www.usajobs.gov/).
