

“Philanthropy IS the difference”

ANNUAL GIVING

Annual donors to San Diego State University provide the foundation necessary to achieve academic excellence and success. Their investments and active participation in the university community furnish the resources that allow SDSU to maximize current opportunities and take advantage of emerging possibilities.

THE PRESIDENT'S LEADERSHIP FUND

The President's Leadership Fund was established by The

Campanile Foundation in October 2002 to provide San Diego State University with the flexible resources to respond quickly to strategic opportunities and reward excellence. Previously, less than .003 percent of SDSU's total budget has been available for the president to invest at his discretion. The President's Leadership Fund helps to ensure that the president has the resources to seek innovation and encourage and reward meritorious programs and people.

CUMULATIVE GIVING

Donors who continue to give to the university over time provide an integral part of SDSU's long-term support system. Their ongoing commitment serves as a tribute to their belief in the mission of the university and constitutes a higher level of philanthropy that transcends campus boundaries.

TOWER SOCIETY

The Tower Society was established in 1997, the university's centennial year, to honor individuals who have cumulatively given \$25,000 or more to SDSU. Members of the Tower Society have created a legacy of giving that will continue to advance the university's educational mission for generations. The Tower Society designation recognizes donors at four levels: Summa Cum Laude, for gifts totaling \$1 million or more; Magna Cum Laude, for gifts totaling \$500,000 to \$999,999; Cum Laude, for gifts totaling \$100,000 to \$499,999; and Honors, for gifts totaling \$25,000 to \$99,999.
