SAN DIEGO STATE
UNIVERSITY

Assistant Professor of Mathematics Education

The Department of Mathematics and Statistics (http://www.math.sdsu.edu/) at San Diego State University invites applications for a full-time tenure track position in Mathematics Education at the Assistant Professor level beginning in August 2016.

We are looking for an applicant with a research program that is consistent with the goals of a university-wide Strategic Plan (http://go.sdsu.edu/strategicplan/), which includes calls for research-based, high-impact instructional innovations and other efforts that will result in transformational educational experiences and greater undergraduate student success and retention. In the spirit of these goals, we seek to hire a mathematics education researcher with a research program focused on undergraduate mathematics education with promising connections to other STEM fields. We are also looking for a colleague to join our large group of mathematics educators, from the College of Sciences and the College of Education, who conduct collaborative research through the Center for Research in Mathematics and Science Education (CRMSE, http://www.sci.sdsu.edu/CRMSE/): Nadine Bezuk, Janet Bowers, Lisa Lamb, Joanne Lobato, Ricardo Nemirovsky, Susan Nickerson, Randy Philipp, Chris Rasmussen, Rafaela Santa Cruz, Melissa Soto, and Bill Zahner.

Applicants should have a doctorate in mathematics education or a related field. Preference will be given to candidates with a strong background in mathematics, an established research program and exemplary teaching skills. Candidates should demonstrate the potential and commitment to seek extramural funding. Experience working with K-16 students is desirable, as is experience working with preservice or inservice teachers. Responsibilities of the position include graduate and undergraduate teaching, as well as research supervision and mentoring. Mathematics Education programs within the department include a BA degree in mathematics in preparation for the Single Subject Teaching Credential and two Master of Arts for Teaching Service (MATS) programs. Faculty also participate in the Joint Doctoral Program in Mathematics and Science Education, offered with the University of California at San Diego (UCSD).

SDSU is a large, diverse, urban university and Hispanic-Serving Institution with a commitment to diversity, equity, and inclusive excellence. Our campus community is diverse in many ways, including race, religion, color, sex, age, disability, marital status, sexual orientation, gender identity and expression, national origin, pregnancy, medical condition, and covered veteran status. We strive to build and sustain a welcoming environment for all. SDSU is seeking applicants with demonstrated experience in and/or commitment to teaching and working effectively with individuals from diverse backgrounds and members of underrepresented groups.

Apply via Interfolio at http://apply.interfolio.com/30873. Review of applications will begin on November 15, 2015 and continue until the position is filled. Questions about the position may be directed to the Search Committee Chair, Chris Rasmussen, at chris.rasmussen@sdsu.edu.

The person holding this position is considered a "mandated reporter" under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

SDSU is a Title IX equal opportunity employer and does not discriminate against persons on the basis of race, religion, national origin, sexual orientation, gender, gender identity and expression, marital status, age, disability, pregnancy, medical condition, or covered veteran status.
