This is the only program at SDSU that allows students to earn the RLAA or RLLSC from the California Commission on Teacher Credentialing, either alone or in combination with the MA in Reading Education.

PROGRAM OPTIONS:
1) Reading & Literacy Added Authorization (13 units - 12 months)
2) Reading & Literacy Leadership Specialist Credential (26 units - 15 months)
3) Reading & Literacy MA (31 units - 15 months)

All programs begin in Summer, 2021 and continue through the academic year. Options 2 and 3 are completed at the end of Summer, 2022.

The Reading and Literacy Leadership Specialist Credential, Reading & Literacy MA, and combined program also require satisfactory completion of a comprehensive examination covering program coursework.

A California Teaching Credential and three years of classroom teaching experience are required for the RLAA and RLLSC credentials.
