For over 20 years and more than 600 projects, Ace Electric has provided electrical contracting services throughout Southern California. We’re successful because we focus on what’s important: the integrity of our values, the safety of our employees, and the satisfaction of our customers. As an electrical contracting firm, we focus on public works projects ranging from sports lighting to ground up construction. At SDSU, we have been involved in sports lighting projects including the Sports Deck, Aquaplex, Practice Fields, Softball Stadium, and Recreation Field. We are currently searching for project managers and project engineers looking to gain experience in the construction industry.
