1. Information / Discussion / Action

a. Meet and Greet

The Board confirmed that the Meet and Greet will be held on Friday, Oct 18th, from 11am – 1pm. Teresa will talk to Cindi about ordering pizza. Like last year, the Board will put their goals and accomplishments on flip chart paper, and then put the sheets around the room for attendees to view. The Board will also lead a discussion on student concerns on campus.

b. Bike Lane

Kelvin described to the Board a ground lighting signal system to alert bicyclist that someone is crossing at the bike intersection. Kelvin spoke to Lynn K. about the signal system as a potential project for ARP, but hasn't heard if ARP is interested in the project. Kelvin will meet with the new SDS director regarding the Board's safety concerns with the bike lane.

c. ASL Interpreters for AS Events

On Thursday Kelvin is meeting with Josh from Associated Students to discuss AS setting up a line item in the budget for covering ASL interpreter services for AS sponsored events.

d. Fall Newsletter

The Board's goal is to have the newsletter done by the Meet & Greet, but if it isn't finished the Board will email the newsletter to everyone who attended the Meet & Greet. Rita is going to edit the articles. The articles should be no more than 300 words. Katharine is going to write on the new director, Laura

and Papa are going to write about the transition to SDSU, and Ludi is going to create a graphic on bikes locked to ramp railings and blocking paths of travel.

e. Access Issues on Campus and the Web

- Kelvin reminded the Board to take pictures of bikes locked to railings and poles that are blocking paths of travel. Kelvin will set up a google drive site for sharing photos with SDS.
- Patty reported that there is a door in West Commons that is difficult to open and might need a door actuator. Patty will get the location of the door, so we can alert SDS to the problem.
- Rita reported that the Storm Hall construction crew sometimes opens the staging area gate to wide and it blocks access to the wheelchair ramp by AL 204. Facilities Services needs to talk to the construction company about not blocking that ramp.
- Rita reported that the inside button for the door actuator at AL 201 is not working.

f. Student Ability Network Report

SAN's meetings were originally scheduled on Wednesdays from 3:30 to 5pm. Patty went to the meeting as the Board's representative, but no one was there. Teresa called Randy Timm, SAN advisor, but he wasn't aware of a time change. Teresa emailed Angela V., requesting the new meeting time and place, but Angela hasn't responded to the email.

g. Member/Officer Reports

No officer reports.

h. AS Campus Life Reports

Teresa contacted Randy Timm about the Board's role with AS Campus Life. Randy shared with Teresa that he is no longer the advisor for this committee. He suggested that Teresa email Dr. Quinnan about the SDS SAB sitting on this committee.

2. Any Other Business / New Business

There was no new business.

3. Announcements

Rita's church is hosting a drive-up movie night tonight at 7:30. They are showing "Oz the Great and Powerful."

Next Meeting: September 27, 2013

The meeting adjourned at 12:03pm
