## 10 Tips for Successful Business Networking

1. **Keep in mind that networking is about being genuine** and authentic, building trust and relationships, and seeing how you can help others
2. **Ask yourself what your goals are in participating in networking meetings**
3. **Visit as many groups as possible that spark your interest**
4. **Hold volunteer positions in organizations**
5. **Ask open-ended questions in networking conversations**
6. **Become known as a powerful resource for others**
7. **Have a clear understanding of what you do and why, for whom, and what makes your doing it special** or different from others doing the same thing
8. **Be able to articulate what you are looking for and how others may help you**
9. **Follow through quickly and efficiently on referrals you are given**
10. **Call those you meet who may benefit from what you do and vice versa**
