Career Planning Workshop

Friday’s 1:30pm - 3:00pm at Student Disability Services
SDS Conference Room 3rd floor | Calpulli Center
8 September 2017 - 15 December 2017

Learn empowerment skills to reach your employment potential and actively win your new career.

This course provides students with disabilities the principles and practices associated with successful employment seeking and advancing strategies:

- You will learn how to best represent your disability to employers and co-workers.
- Learn about disability related employment history, legal requirements, employment policies and best practices.
- Learn how to better identify your individual career options.
- Improve your career preparation and exploration strategies through interview skills and peer support.
- Advance your understanding about the realities of the world of work.

This course has been developed to give students with disabilities the insights, information and techniques necessary to become your best professional self. The goal of this course is to help you learn how to win over an employer and become successful in your job.
